The screenshot shows the Honeygain dashboard interface. On the left is a sidebar with navigation links: Overview, Statistics, Transaction history, Referrals, and Achievements. The main content area features a top navigation bar with 'Honeygain' and 'JumpTask +20%' tabs. A red box highlights the 'Download app' button, which has opened a dropdown menu with the following options: For Windows, For Android, For macOS, For iOS, and For Linux. Below the navigation bar, the 'JumpTask wallet' section displays a balance of 14,055.44 coins, a transfer history of 12,457.27 coins and 1,598.17 coins, and a '20% bonus gift' badge. A blue button labeled 'JumpTask dashboard' is present. To the right, a table lists earnings: 'Ga' (72.44 MB, 21.73 coins), 'Wi' (5.00 coins), and 'JumpTask Bonus' (5.34 coins). A timer indicates the next pot is available in 05 hours 13 min 15 sec. At the bottom, the 'Earnings' section shows 3,785.13 coins for the last 30 days, and the 'My achievements' section has a 'View details' link.
